FROM THE BOARD OF STUDIES

Nepal is primarily a country of villages but it is indispensable to move into industrialization for rapid economic growth. The contribution of skilled work force is inevitable to support the economic growth, especially the role of Chartered Accountants is countless. In the context of Globalization, the demand of Chartered Accountants is ever growing. However, the numbers of Chartered Accountants are not sufficient to cope with the requirements. Chartered Accountancy is highly prestigious professional course, due to the reasons like in-depth knowledge, reward and image in the society. Choosing a career in any sector means entertaining increasing demands, accepting rewarding challenges and encountering stiff competition at every level. We are very aware of how important it is for us to be in this field considering that industries, commerce, financial services, and IT sectors all rely heavily upon what we contribute. In this context, the Board of Studies welcome all the students to be a part of this field.

It is a matter of satisfaction that PRIME CA has continued to progress during the last 21 years. Its achievement is reflected in the contributions it has made for the betterment of the students; the students are spreading good words about PRIME CA all over.

It is pleasure to inform you that, in arriving year 2025, 1100+ students attending classes at PRIME CA qualified as Chartered Accountants. The Board is of the view that success is a matter of combination of many things. The Board requests all the students to be more active, sincere, dedicated and obliged to achieve their aims.

The Board shall assist you in all matters that makes you successful. Students should be laborious in this profession; management plays the role of facilitator only.

Thanking you,
Board of Studies

THE ACCOUNTING PROFESSION

Over the years, the Accountancy Profession has enjoyed significant growth due to the quality professional services provided by the Chartered Accountants. It has occupied a prominent role in the country's economy and society. Only few years back there were very few numbers of Chartered Accountants in Nepal. Most of the people were unaware of Chartered Accountancy Profession and its importance. Statutory recognition is given to the CA and audit/certification is insisted upon for various purposes. Gradually, people are becoming more aware and interested in it. No wonder that the Chartered Accountancy is a high status profession and a passport to challenging and rewarding career in industry and commerce. Chartered Accountants are increasingly becoming an inseparable part of the top management level in all organizations whether they are public, private or government. Chartered Accountants can also set up an independent practice for Accounting, Auditing and Consultancy services. The society has increasingly recognized the services of Chartered Accountants in entire array of management consultancy including management accounting, management information and control systems, information technology and financial service sector. Accordingly, the demand for Chartered Accountants is growing higher. Instead of rendering professional services, the Chartered Accountants can join an industry or government organization and hold responsible position. Chartered Accountants are responsible for developing, analyzing and reporting information needed for business decisions. They also evaluate the financial effects of management's actions. A Chartered Accountant may also take up the job of providing education at College/University/Institute. Many Chartered Accountants hold responsible positions in business/ industrial organizations as CEO, Managing Director, Director Finance, Chief Accountant, Chief Internal Auditor etc. Chartered Accountants can also provide audit/certification work for various purposes in different statutes. Some of the Professional works carried out by the Chartered Accountants include:

Audit

- ✓ Statutory Audit
- ✓ Tax Audit
- ✓ Internal Audit
- ✓ Management Audit
- ✓ Performance Audit
- ✓ Quality audit
- ✓ Environmental Audit
- ✓ System Audit etc.

HOW TO BECOME A CHARTERED ACCOUNTANT?

- » Get registered with the Board of Studies of The Institute of Chartered Accounts of Nepal (ICAN).
- » Be eligible to attend the exam.
- » Attend and qualify the exams for all the levels held by the ICAN.
- » Register for and complete the practical training as per the requirements.

Chartered Accountancy is a correspondence course. The basic study materials are provided by the ICAN on registration. The students have to study themselves and prepare for the exams. As self-study is found insufficient for complete preparation for the exams, students join Institutes like PRIME CA for the Exam Preparation Assistance.

CHARTERED ACCOUNTANCY COURSE UNDER THE INSTITUTE OF CHARTERED ACCOUNTANTS OF NEPAL (ICAN)

The Institute of Chartered Accountants of Nepal (ICAN) was established under the Nepal Chartered Accountants Act, 1997 to enhance social recognition and faith in the accounting profession by raising public awareness towards the importance of accounting profession as well as towards economic and social responsibility of the accountants, and to contribute towards economic development of the country. It is an autonomous body and is solely authorized to undertake accounting profession study in Nepal. Foundation Level is the basic level for Chartered Accountancy Course. After qualifying Foundation Level, students can join Application Level. Students who have done graduation/post-graduation with prescribed percentage can directly join Application Level. After qualifying Application Level, students can join Advisory Level. In Advisory Level, students have to undergo compulsory article-ship training for a period of three years. After qualifying Advisory Level along with completion of articleship, student becomes Chartered Accountant. So it will take around 5 years' duration to qualify Chartered Accountancy Course starting from Foundation Level.

Level, Duration and Cost

Level	Duration	Registration Fee (Rs.)	Examination Fee (Rs.)
Foundation	6 months	37,100	4,800
Application	9 months	41,200	7,400
Advisory	3 years	50,700	7,700
GMCS, AMCS & IT Training		34,000	

- » General Management and Communication Skill (GMCS) » Advanced Management and Communication Skills (AMCS),
- » Information Technology (IT)

It comes around Rs. 4,50,000 to Rs. 5,00,000 all together for CA with BBS including ICAN Registration Fee, Exam Fee, GMCS, AMCS, IT Fee, Tuition Fee, Study Materials and BBS Fee.
